

MEET US AT FORMNEXT 2021!

Looking forward to this year’s Formnext!

We can't wait to welcome you at **booth 58 in hall 12.0 together with Elise** – we have some hot stuff waiting for you! Visit us and learn more about “Low Code” and “automation” in Elise!

Be sure to come and be thrilled by the new release of our **AM-Studio** with

- connection of Trumpf machines
- high performance build processor developed by our CADS Additive experts
- and many more.

You are interested in becoming a reseller? Or do you want to change your 3D metal printing data preparation software?

Contact our Sales Director Daniel Plos in advance and make an appointment for meetings at Formnext on Tuesday 16th and Wednesday 17th November each day from 1.00 to 5.00 p.m.: daniel.plos@cads-additive.com | +43 660 107 01 17
