

FULL-TIME (M/F/X), BEGINNING IMMEDIATELY **SENIOR UNITY 3D DEVELOPER**

YOUR TASKS

- being part of a small and agile team
- active participation in design and ongoing development decisions of our main product
- keep track of the current state of development
- use the Unity 3D game engine to enable data preparation for SLM 3D printing

OUR REQUIREMENTS

- 3 years experience with C# & Unity 3D in a commercial environment
- *plus:* experience with Protobuf and/or Strangeloc
- passion when it comes to software development and game engines
- team player
- willingness to learn and continue to evolve as a developer
- hands-on mentality: independent, solution-oriented approach to work
- strong interest in industry standards and best practices
- communicating in different languages doesn't scare you

WE OFFER

- remote work or working in our office in Perg – you can decide
- flexible working hours (core hours 9 am – 2 pm)
- an interesting area of work, with a lot of space for personal development and self-fulfillment
- flat hierarchies and a pleasant working atmosphere
- participation in training classes and conferences
- technically challenging projects with international customers
- exciting employee events
- using a small 3D printing and tinkering workspace with FDM, SLA and SLM printers
- good coffee and table football

SALARY

The **monthly salary** starts at **EUR 3.190 gross** upon a full-time employment basis. Willingness to pay more based on qualifications and experience.

We, CADS Additive GmbH, are on our way to dominate the 3D printing world with our slicing and hatching software AM-Studio.

It is our mission to infect the world through innovation and determination in our products and components, which can be found in well-known additive manufacturing software and hardware providers worldwide.

Our company is home to a bunch of interesting people, skilled and dedicated to do their work, but also fun-loving and open-minded for all aspects of life. We are makers, industry experts, 3D printing enthusiasts and overall: a group of great people who enjoy working together.

If you want to play a round of table soccer with us or even dare to pick an office nerf battle and enjoy the social gathering afterwards – **then join us!**
